Professional Summary

Detail-oriented and motivated Data Analyst with hands-on experience in data cleaning, dashboard development, reporting, and database management. Proficient in **Excel, SQL, Python, Power BI, and Tableau** with expertise in transforming raw data into actionable insights. Passionate about data visualization, business intelligence, and data-driven decision-making. Possesses strong analytical, problem-solving, and documentation skills with experience in developing interactive dashboards and managing structured datasets.

Professional Experience

Data Analytics Intern | AI Variant | 2024–2025

- Developed interactive dashboards using Power BI and Tableau for data-driven reporting.
- Managed, cleaned, and validated large datasets while maintaining documentation standards and SOP compliance.
- Created digital logs for inventory and project tracking to improve reporting workflows.
- Performed structured data extraction and maintenance using advanced Excel and SQL tools.

Projects

- Manufacturing Analytics Dashboard – Built KPI dashboards using Excel, MySQL, Power BI, and Tableau.
- Zomato Analytics – Cleaned, transformed, and visualized business datasets to generate insights.
- Student Management System – Developed a Python-based application for managing student records.
- AI Chatbot – Developed an AI-based chatbot as a final year project for automated responses and user interaction.

Education

Bachelor of Computer Applications (BCA)

Indira Gandhi National Open University (IGNOU)

2022 – 2025
